

# Wilshire Ventures – Simplified Service Explanation

## What Does Wilshire Ventures Do?

Wilshire Ventures helps businesses get their money back when customers don't pay their invoices. If someone owes your business money and won't pay, Wilshire Ventures steps in to collect it for you, so you don't have to worry or chase people down<sup>[1]</sup>.

They also help if things get really tough and you need legal support. They work with legal experts to make sure your business is protected and gets what it's owed<sup>[1]</sup>.

## Who Is This For?

- Small business owners
- Company leaders
- Anyone who is tired of waiting for unpaid invoices to be paid

If you're stressed about unpaid bills and want your cash flow back on track, Wilshire Ventures can help<sup>[1]</sup>.

## How It Works (Step-by-Step)

### 1. You Contact Wilshire Ventures

Tell them about the unpaid invoices and who owes you money.

### 2. They Review Your Case

Their team checks the details and comes up with the best way to collect your money.

### 3. They Reach Out to Your Customers

Wilshire Ventures contacts the people who owe you money in a professional way to get your payment fast.

### 4. Legal Support if Needed

If your customer still won't pay, Wilshire Ventures works with legal experts to take the next steps and protect your business.

## 5. You Get Paid

Once the money is collected, it goes back to you, helping your business stay strong<sup>[1]</sup>.

### Example

- **Input:**

You give Wilshire Ventures a list of unpaid invoices and your customer's contact info.

- **Output:**

Wilshire Ventures collects the money for you and sends it to your business. You get your cash flow back and don't have to stress about chasing payments<sup>[1]</sup>.
